SUMMER INTENSIVE PROGRAM

This June, St John XXIII will introduce a SUMMER INTENSIVE RELIGIOUS EDUCATION PROGRAM.

Here's how it works

These classes are designed for children who will be entering GRADES 5-12 in August 2017, and would be entering our religious education program for the first year of sacrament preparation.

REQUIREMENT: Your child MUST already be baptized AND you wish them to be prepared for either First Holy Communion or Confirmation.

From June 19th through June 30th, we will be offering **TWO WEEKS OF CLASSES, Monday – Friday from 9:00am – 11:30pm, at the church.** The children will receive instruction that is the equivalent of an ENTIRE SCHOOL YEAR. **Therefore, they MUST attend EVERY ONE OF THE 10 CLASSES. TUITUON for this class is \$150, payable in full at time of registration.**

Upon successful completion of the Summer Intensive Program, your child would be allowed to register for the Sacrament Class for the 2017-18 Religious Education school year.
