MARY'S MOTHERHOOD WITH REGARD TO THE CHURCH . . . she is our Mother in the order of grace

Catechism of the Catholic Church - Article 967 - 970

"By her complete adherence to the Father's will, to his Son's redemptive work, and to every prompting of the Holy Spirit, the Virgin Mary is the Church's model of faith and charity. Thus she is a "preeminent and . . . wholly unique member of the Church"; indeed, she is the "exemplary realization" (typus) (LG 53; 63) of the Church.

Her role in relation to the Church and to all humanity goes still further. "In a wholly singular way she cooperated by her obedience, faith, hope, and burning charity in the Savior's work of restoring supernatural life to souls. For this reason she is a mother to us in the order of grace" (LG 61).

"This motherhood of Mary in the order of grace continues uninterruptedly from the consent which she loyally gave at the Annunciation and which she sustained without wavering beneath the cross, until the eternal fulfilment of all the elect. Taken up to heaven she did not lay aside this saving office but by her manifold intercession continues to bring us the gifts of eternal salvation Therefore the Blessed Virgin is invoked in the Church under the titles of Advocate, Helper, Benefactress, and Mediatrix" (LG 62).

"Mary's function as mother of men in no way obscures or diminishes this unique mediation of Christ, but rather shows its power. But the Blessed Virgin's salutary influence on men . . . flows forth from the superabundance of the merits of Christ, rests on his mediation, depends entirely on it, and draws all its power from it" (LG 60). "No creature could ever be counted along with the Incarnate Word and Redeemer; but just as the priesthood of Christ is shared in various ways both by his ministers and the faithful, and as the one goodness of God is radiated in different ways among his creatures, so also the unique mediation of the Redeemer does not exclude but rather gives rise to a manifold cooperation which is but a sharing in this one source" (LG 62)."

...

La maternidad de María respecto de la Iglesia...ella es nuestra Madre en el orden de la gracia

Catecismo de la Iglesia Católica Artículos 967 - 970

"Por su total adhesión a la voluntad del Padre, a la obra redentora de su Hijo, a toda moción del Espíritu Santo, la Virgen María es para la Iglesia el modelo de la fe y de la caridad. Por eso es "miembro supereminente y del todo singular de la Iglesia" (LG 53), incluso constituye "la figura" [typus] de la Iglesia (LG 63).

Pero su papel con relación a la Iglesia y a toda la humanidad va aún más lejos. "Colaboró de manera totalmente singular a la obra del Salvador por su obediencia, su fe, esperanza y ardiente amor, para restablecer la vida sobrenatural de los hombres. Por esta razón es nuestra madre en el orden de la gracia" (LG 61).

"Esta maternidad de María perdura sin cesar en la economía de la gracia, desde el consentimiento que dio fielmente en la Anunciación, y que mantuvo sin vacilar al pie de la cruz, hasta la realización plena y definitiva de todos los escogidos. En efecto, con su ascensión a los cielos, no abandonó su misión salvadora, sino que continúa procurándonos con su múltiple intercesión los dones de la salvación eterna [...] Por eso la Santísima Virgen es invocada en la Iglesia con los títulos de Abogada, Auxiliadora, Socorro, Mediadora" (LG 62).

"La misión maternal de María para con los hombres de ninguna manera disminuye o hace sombra a la única mediación de Cristo, sino que manifiesta su eficacia. En efecto, todo el influjo de la Santísima Virgen en la salvación de los hombres [...] brota de la sobreabundancia de los méritos de Cristo, se apoya en su mediación, depende totalmente de ella y de ella saca toda su eficacia" (LG 60). "Ninguna criatura puede ser puesta nunca en el mismo orden con el Verbo encarnado y Redentor. Pero, así como en el sacerdocio de Cristo participan de diversas maneras tanto los ministros como el pueblo fiel, y así como la única bondad de Dios se difunde realmente en las criaturas de distintas maneras, así también la única mediación del Redentor no excluye, sino que suscita en las criaturas una colaboración diversa que participa de la única fuente" (LG 62)."

Prayer to St. Michael The Archangel

St. Michael the Archangel, defend us in Battle; Be our safeguard against the wickedness and snares of the Devil. May God rebuke him, we humbly pray, and do Thou, O Prince of the Heavenly Host, by the power of God, cast into Hell, Satan and all the evil spirits, who prowl about the world, seeking the ruin of souls. Amen

Oración a San Miguel Arcangel

San Miguel Arcángel: defiéndenos en la batalla. Sé nuestro amparo contra la perversidad y las asechanzas del demonio. ¡Reprímale Dios, pedimos suplicantes! Y tú, Príncipe de la Milicia Celestial, arroja al infierno a Satanás y a los demás Espíritus malignos que andan dispersos por el mundo para la perdición de las almas. Amén.
